About Bhuwanishankar Campus

It gives me great pleasure to extend my heartfelt greetings to all students, parents, faculty members, staff, and well-wishers of Bhuwanishankar Campus. Our campus has been playing a significant role in providing quality higher education in the region. At present, we offer academic programs in Science & Technology, Management, Education and Social Science that combine theoretical knowledge with practical vocational skills to support students' personal and professional growth.

We are committed to continuously improving and expanding our academic offerings. In response to changing educational needs, the campus plans to introduce more new and innovative courses in areas such as Risk Insurance Management, Computer Engineering, Information Technology and other skill-based programs that enhance employability and entrepreneurship. Our goal is to develop Bhuwanishankar Campus as a center of academic excellence through modern teaching methods, research, and collaboration.

Our focus is to encourage all students actively engage in their learning journey and make the best use of available opportunities. I sincerely thank all stakeholders for their continuous support and cooperation, and I wish everyone a successful and bright future.

“आज स्वदेशमा शिक्षा,
भोलि परिवारमा खुशी”
